Join our Puppy Raising Program — a community of volunteers united by a love of dogs and a passion for helping others

The Experience

- Care for a puppy from 8 weeks to 14–16 months
- Teach basic obedience, socialize, and explore the world together
- Attend trainer-led classes — no experience needed

The Impact

- Lay the foundation for a future Service Dog
- Give someone with a disability greater independence, confidence, and joy
- Experience the pride of knowing you changed someone's life
