

from shelter to **SERVICE DOG** volunteer

Love dogs? Change Lives with us!

Dogs for Better Lives has a unique program to transform shelter dogs into Service Dogs for people with disabilities.

You can play an important part in this transformative and life changing journey by fostering a shelter dog that has been evaluated and in training for this important work.

**Dogs for Better Lives trains and places
Hearing Assistance Dogs, Autism Assistance
Dogs and Facility Dogs across the U.S.**

How it works

- Welcome a carefully selected dog from our shelter partner into your home for up to 6 months
- Reinforce training at your home
- Coordinate with DBL staff on drop off and pickup at the training location
- Shelter partner provides all necessary resources including veterinary care, dog food, toys and equipment (food and water bowl, crate, etc.)
