

# YOUR GIFT MAKING A DIFFERENCE

## FROM SHELTER TO FACILITY DOG

Bella Rue, now "Rue" was recently placed with a school counselor in an Oregon school district. Rue was a part of our From Shelter to Service Program in partnership with Operation Kindness in Texas.

*"Rue has been an excellent way to engage bashful or shy students. I regularly brag about the tenure of Rue's formal education, which helps me to encourage our students to continue attending school."*

-DBL Client Bonni

## You made this possible

Your generosity helped us make **2x more placements this autumn** compared to last year at this time.

Because of your commitment to our mission, more clients received support, programs continued to grow, and future Service Dogs moved closer to changing lives. Thank you for being such an important part of this work.
